The visit is part of a study being conducted by [redacted] to determine whether adequate resources are programmed to implement major provisions in the National Tasking Plan (NTP) as promulgated by the DCI and Secretary of Defense on 25 January 1982.

2. The list of persons contacted during the visit is provided at attachment 1.

3. The major findings and observations are provided in summary form at attachment 2. More comprehensive and detailed information is provided on each organization visited at attachment 3.
